COMPANY PROFILE

COMPANY OVERVIEW

ABOUT US

Few years ago, the man behind Coverdale has dreamt of having and building his own empire that will help thousands of people worldwide. Though it has not been a one-day decision and a lot has been taken into consideration; discouragements, negative comments, thoughts, and 'what ifs'. These things did not matter, they made him push harder and go for what he truly wants in life.

Who would have thought that being discouraged and pulled down many times could create someone who stands up for what he truly believes. The statement to create a human connection, heart to heart bond, to excel in providing services and never stop improving. To strive for 100% client's satisfaction and recurrence.

MISSION

To build a horizontal multi-cultured organization, established around the client and the trustees of the firm. The organization will provide services directly or by outsourcing, and will supervise and ensure complete satisfaction during all stages and at the end of the service.

To reduce as many obstacles for the client and the firm to make the transactions and the services with the least resistance and without any obstacles for the clients to reach an automated system within the organization.

To create measurable feedback on every service provided and a data-storage to reflect on and facilitate decision making by studying the statistics, feedback and suggestions.

To build an understanding of different cultural factors which affects the client's decision making and tailor the services to their acceptance and liking.

VISION

“ To become a fun, energetic, reliable, accountable, excellent hub and think-tank, where we connect people with solutions and produce well praised results and talent. A creative universe of passionate professionals driven by the desire to innovate and achieve. With a reputation that precedes it. ”

WHY CHOOSE US ?

You are in good hands – 30 years of translation experience in the UAE on local and international levels. 100% human translation and heart to heart connection. You are important, that is why we will dedicate a personal project manager, who will keep in contact and update you about every stage, from the start till the completion and delivery.

GOAL(S)

To add value to people's life by asking ourselves before providing solutions or suggestions "Will this add value to their life and business"?.

To become the most trusted organization in Iran and Persian Gulf for immigration, company formation, legalization and real estate.

To bring "Providing Solutions" into action and create big impact in people's lives to make them remember us. To challenge their perspective in life, to support customer business grow through more intentional, more aligned with our own values actions.

To create multiple services and organizations with the same underlying leadership, values and management.

To keep inspiring, motivating each and every one and be the reason why every individual in our organization learned the real meaning of Trust or to Trust the Process.

OUR LEADERSHIP

MISAGH VASEGHI

BUSINESS DEVELOPMENT MANAGER

Misagh is the Founder of Coverdale Translation & Services, a sincere company with an unwavering vision. He is based in Dubai, in the United Arab Emirates.

He is responsible for Coverdale's overall growth strategy, financial targets, operational efficiency and transformation to ensure substantial growth across the Coverdale business.

After two decades of leadership experience in business development and operations, Misagh set out to make his vision of an honest enterprise that delivers exceptional results with integrity a reality. A trifold engine of core culture comprising of transparency, innovation, and dedication drives Coverdale to deliver extraordinary performance without compromise.

Following an international education in business management, Misagh began his career by helping transform a barely break-even startup into a largely profitable, multi branched organization.

He credits his success to his fondness for building relationships and the ceaseless practice of the kaizen methodology of continuous improvement. Pairing this with an understanding of strategy development tailored to organizations in a competitive and global economy, Misagh has since helped build numerous companies from simple ideas to flourishing, profit-making organizations.

Misagh holds a Bachelor's Degree of Business Management from University of Lodz – Poland.

He enjoys outdoor activities with family, life coaching, and reading self-improvement books. The quote that he lives by is "Every failure is a step to success" by William Whewell and a Japanese Proverb "Fall down seven times, get up eight".
